These past few years we have seen many things changing in our world but the good news of the gospel; that gift that came at Christmas is that his Love is same yesterday, today and forever. A Truly Just, Healthy and Peaceful World!

The Vision of the Primate's World Relief and Development Fund (PWRDF) is for "A truly just, healthy and peaceful world." PWRDF addresses poverty, gender injustice and environmental exploitation through programs targeting food security, health care and health education, and sustainable development while also maintaining support for refugees and responding to emergencies. Many of our partner initiatives address multiple goals in one project. Staff continually seek out partners whose mandate matches ours and who have a proven track record.

For 64 years, our church, through PWRDF, has been faithfully responding to Jesus' command to "Love thy neighbour" by following the instruction found in Matthew 25:35-36, "For I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me." THANK YOU!

Christmas Blessings!
