LENTEN STUDY & REFLECTION: For lent this year, Bishop John will be offering a study and reflection drawn from the Lambeth Conference and he invites you to join in! (See extra sheet included)

The Lenten Journey will consist of an introduction to Lambeth, and then simple explorations of the essence of each call, and how they are prophetically relevant to us within the communities we call home, as individuals, congregations, parishes, and a diocese. Each call will have a brief printed discussion accompanied with a study guide. He has launched a new website fully devoted to this Lenten Journey which is being populated now. If you visit now, you will find a series of videos on 1 Peter which are fairly short, but very profound. Once the documents are finalized, they will be posted there.

Here is the Website link: <https://sites.google.com/view/lambeth-calls/home>

LENTEN REFLECTION – Readings and Reflections “Turning into the Season” provides food for thought on PWRDF initiatives as well as amazing work being done locally. Copies of this Lenten devotion/reflection are at the church entrances.

HEALTH CARE COALITION - letter writing campaign;

The NL Health Accord recommends the implementation of Community Collaborative Care Teams. The local health care coalition is encouraging everyone to send a letter to Premier Furey and to the Minister of Health Tom Osbourne supporting this initiative. These letters are available at the church entrances as well as information on the Community Collaborative Teams. The letters are also available at the GFW Town Hall or via email to gfwhealthcoalition@gmail.com. Your letter can be mailed individually, dropped off at the GFW Town Hall , or completed online. The community team feels that the more people who inform government of their support for these Collaborative Community Teams the better it will be for health care in our communities. The local committee would appreciate knowing if you have mailed this letter. By participating in this letter Campaign it is hoped that the government will move quickly to implement a team in our area. To view the Healthcare Forum – you can go to the GFW website or view on Youtube.
