### ***Waiting for the Sunrise by Clay Harrison***

When darkness overcomes you  
and fills you with despair,  
The loneliness of waiting  
is often hard to bear.  
How dreary are the hours  
for those who wait alone  
Watching for the sunrise  
to vanquish the unknown.  
The darkness overwhelms us  
with feelings hard to fight  
Until we see the Savior  
and follow in His light.  
His light is everlasting  
as the moon and stars above  
And neither night nor shadow  
separate us from God's love

*...neither death, nor life... nor powers...nor things present nor  
to come...shall separate us from the love of God...*
