This series for Lent attempts to overhear the conversations between those first-century characters as they witnessed the death of our Lord. With the cross as the focal point and the final words of Jesus as the common thread, each drama works to draw us into the reality and significance of our Savior's death, celebrating, at last, the miracle of our salvation.

**Seasoning Lent.** This is an eight-week devotional activity designed for Lent. It invites you to cook simple, delicious meals as part of one’s spiritual practice. This program will be a 2-year program at Holy Trinity. As part of this program, recipes and favorite scripture verses will be collected during Lent of this year. Forty recipes and verses will then be selected and used as the basis for the program emphasizing healthy eating, and spiritual reflection during Lent, 2023. Please include your name with the recipe (for clarification if necessary). Personal information will not be included when recipes are used in the program. Please place your scripture verses and recipes in the box provided.

#### A READING FROM THE SECOND LETTER OF PAUL TO THE CORINTHIANS

From now on, we regard no one from a human point of view; even though we once knew Christ from a human point of view, we know him no longer in that way. So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new! All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation; that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us. So we are ambassadors for Christ, since God is making his appeal through us; we entreat you on behalf of Christ, be reconciled to God. For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God.

2 CORINTHIANS 5:16-21

**This brother  
of yours was dead  
and has come to life;  
he was lost  
and has been found.**
