**Holistic Health:** Walking to Bethlehem is an imaginary walk encouraging us to increase physical activity, spiritual growth and cultural awareness. The aim is to enrich our health of body, mind, and spirit by increasing our activity level and prayer time. Beginning October 11<sup>th</sup> for 10 weeks let's individually or with family and friends count our steps/activity towards the 4639 miles from Central NL to Bethlehem while reflecting on Mary and Joseph's journey so many years ago.

**A Walk to Bethlehem.** Information packages are available at both entrances of the church. Please take one and join in the walk. Every step of every person counts! If you know of anyone who would be interested in our walk, you are more than welcome to take a package for them too. Information provided in the package includes a weekly scripture verse, reading, reflection, and health tip. May this walk increase our health in body, mind and spirit.
